TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

Bio-Safe® Skin Protectant forms a polymer coating on the skin that helps protect skin from certain chemical and biological irritants. **Bio-Safe® Skin Protectant** temporarily protects, prevents and helps relieve chafed, chapped or cracked skin. Studies have shown product effectiveness for up to 4 hours.

Patented formula allows skin to breathe and perspire normally. Withstands repeated hand washing. Can be used under any type of gloves to help avoid chafing, chapping, cracking and dryness. Recommended for use with personal protection equipment.

PRODUCT INGREDIENTS

Active	Dimethicone
Inactive	Water, Glyceryl Stearate, PEG-100 Stearate, Glycerine USP, Cetyl Alcohol, PVP, Hydroxyethylcellulose, Nonylphenol-9, Isopropyl Myristate, Triclosan, Diazolidinyl Urea, Methyl Paraben, Tocophenol Acetate (Vitamin E), Propyl Paraben, Tetrasodium EDTA
Hazardous	None

PRODUCT PHYSICAL DATA/APPEARANCE

Form	Lotion
Color	White
Odor	Mild - No fragrance added
Specific Gravity @ 25°C	0.98 - 1.02
PH	6.5 - 8.0

PRODUCT STORAGE

Protect from excessive heat and freezing. Store at 50°-80°F (10°-27°C).

DIRECTIONS OF USE

- Step 1** Start by thoroughly washing and drying your hands. Make sure hands are completely dry before applying lotion.
- Step 2** Put one thumbnail sized drop of lotion in the palm.
- Step 3** Cover both hands completely to the wrists.

- Step 5** Work product well into your cuticles.
- Step 6** Allow a minute to dry. Apply as needed every 3-4 hours.
(If working with abrasive materials, re-apply every 2-3 hours).

TECHNICAL DATA SHEET

HEALTH HAZARD INFORMATION

Hazard Rating

Health	0
Fire	0
Reactivity	0

0 = Least
1 = Slight
2 = Moderate
3 = High
4 = Extreme

The exact percentages for components of this product constitute a trade secret. Although the listed chemicals can be considered to be hazardous in their pure concentrated state, in the low concentrations found in the product, they do not pose a serious threat to users. Testing has shown that the product is not a primary dermal or ocular irritant, and is not orally toxic.

WARNINGS

For external use only.

Do not use in the eyes. In case of contact, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation and redness develop and persist for more than 72 hours.

Keep out of the reach of children. If swallowed, get medical help or contact a Poison Control Center right away. Children under 6 months: Ask a doctor.
